

MR. HITT TALKED ON CUBAN MATTER

OUR DUTY TO RECOGNIZE THE INSURGENTS.

Strong Appeal Made in the House by the Illinois Man, Yesterday—Mr. Boutelle, of Maine, Opposes the Resolution and Says His Attitude Is Vindicated.

Washington, April 4.—Chairman Hitt of the foreign relations committee added his contribution to the Cuban debate in the house on Friday. After explaining the parliamentary status and pointing out the difference between the senate and house resolutions Mr. Hitt said:

"The unmistakable voice of the peo-

ment would interfere to prevent Spain from acquiring territory on the continents of this hemisphere or the contiguous islands. I do not see why the United States should not interpose to prevent Spain from retaining territory by subjugation."

As Mr. Hitt concluded, Mr. Hyde (rep., Wash.) asked him whether if the president should refuse to take any action on the resolutions, their effect would be nil.

Mr. Hitt replied that he declined to entertain such a hypothesis—a response that was greeted with tumultuous applause.

Mr. Boutelle (rep., Me.), who has steadily opposed the passage of any Cuban resolutions, then took the floor. He said he had never regretted his course, and he thought his attitude had been vindicated by subsequent events. The resolutions had no legal effect. They amounted to nothing. They could never have passed the senate, and, therefore, the house conferees

REFUSES ITS SUPPORT.

French Senate Votes Non-Consent in the Cabinet.

Paris, April 4.—The senate Friday, by a vote of 155 to 85, adopted the following resolution: "The senate, noting the declaration of the government that it cannot add to its explanations of Tuesday (on the Egyptian question), and considering these explanations insufficient, refuses it a vote of confidence."

After leaving the senate chamber the ministers met at the Quai d'Orsay, in order to discuss the situation. They separated at 6 o'clock in the evening, but manifested secrecy in regard to the result arrived at. At the close of the discussion, however, M. Bourgeois went to the Elysee palace, in order to see President Faure. Later it became known that the cabinet had decided that the successive votes of confidence of the chamber of deputies made it the duty of the government to continue in

ple of the United States, as expressed in the enormous majority given in this house—262 to 17—is in favor of recognizing the belligerency of the Cubans. Their success is now probable. For a year they have baffled the armies of Spain. In a recent statement by the Spanish minister, addressed to the people of the United States, he said that Spain had sent 125,000 men to Cuba. With this great army more than forty war vessels have been co-operating to shut the Cubans in and subdue them. Far from being subdued, they have fought on successfully for a year, each month and week pressing forward, bringing province after province under their power, until their authority was extended over six hundred miles from the eastern to the western end of the island, and the Spanish forces are today largely hemmed in the cities.

"When this vote has been given, as it will be, overwhelmingly by this house, concurring with the senate in expressing the will of the people of the United States, we cannot doubt that the executive will act and obey the voice of the nation, and that we will speedily hear that the president has recognized the belligerency of the struggling Cubans. The waning cause of Spain has been apparent from week to week for two months past. It will not be long until we shall have an end of all the bombastic pretensions and

abominations of Weyler's savage operations, and the Cubans, having vindicated their rights with their arms, will enjoy the liberty they have earned."

Mr. Swanson (dem., Va.) asked if these resolutions would carry with them the recognition of Cuban belligerency. Mr. Hitt replied that they would not of themselves, but he had no doubt that they would lead to the recognition of the Cubans by presidential proclamation. The conference committee, Mr. Hitt explained, in answer to a question, had no power to change the form of the resolutions from concurrent to joint so as to compel affirmative or negative action by the president.

"If the people of Cuba," said Mr. Patterson, "are practically united in the cause of autonomy, in my opinion they are entitled to it, and if this govern-

thought it wise to surrender.

Mr. Hitt denied emphatically that it had ever been admitted in the senate that it would have been impossible to pass them again in that body. It was admitted that a vote could have been obstructed, but he declared emphatically that there was in the senate an overwhelming majority for each and all of the resolutions.

Mr. Boutelle, continuing, argued that public ardor on the question had measurably cooled and that there was no demonstrable proof of the existence of the fact of Cuban belligerency. He did not pretend to voice the public sentiment of the country, but he did represent the conservative element that deprecated foreign broils that might eventuate in a foreign war. Proceeding, he deprecated the tales of horrible atrocities committed by Spain in Cuba which had been retailed in this country with a view to firing popular passion. He recalled the burning of a negro bound to a gridiron in a public square in Texas, an orgie more horrible than anything that had occurred in a generation. Mr. Boutelle created much amusement by a sarcastic description of the president's twisting of the British tail in his Venezuelan message. In support of his contention against the recognition of belligerency, Mr. Boutelle read from the messages of General Grant and charged that it was the boast of the revolutionists that they had burned and destroyed crops, fields, and villages in order to drive the people into insurrection.

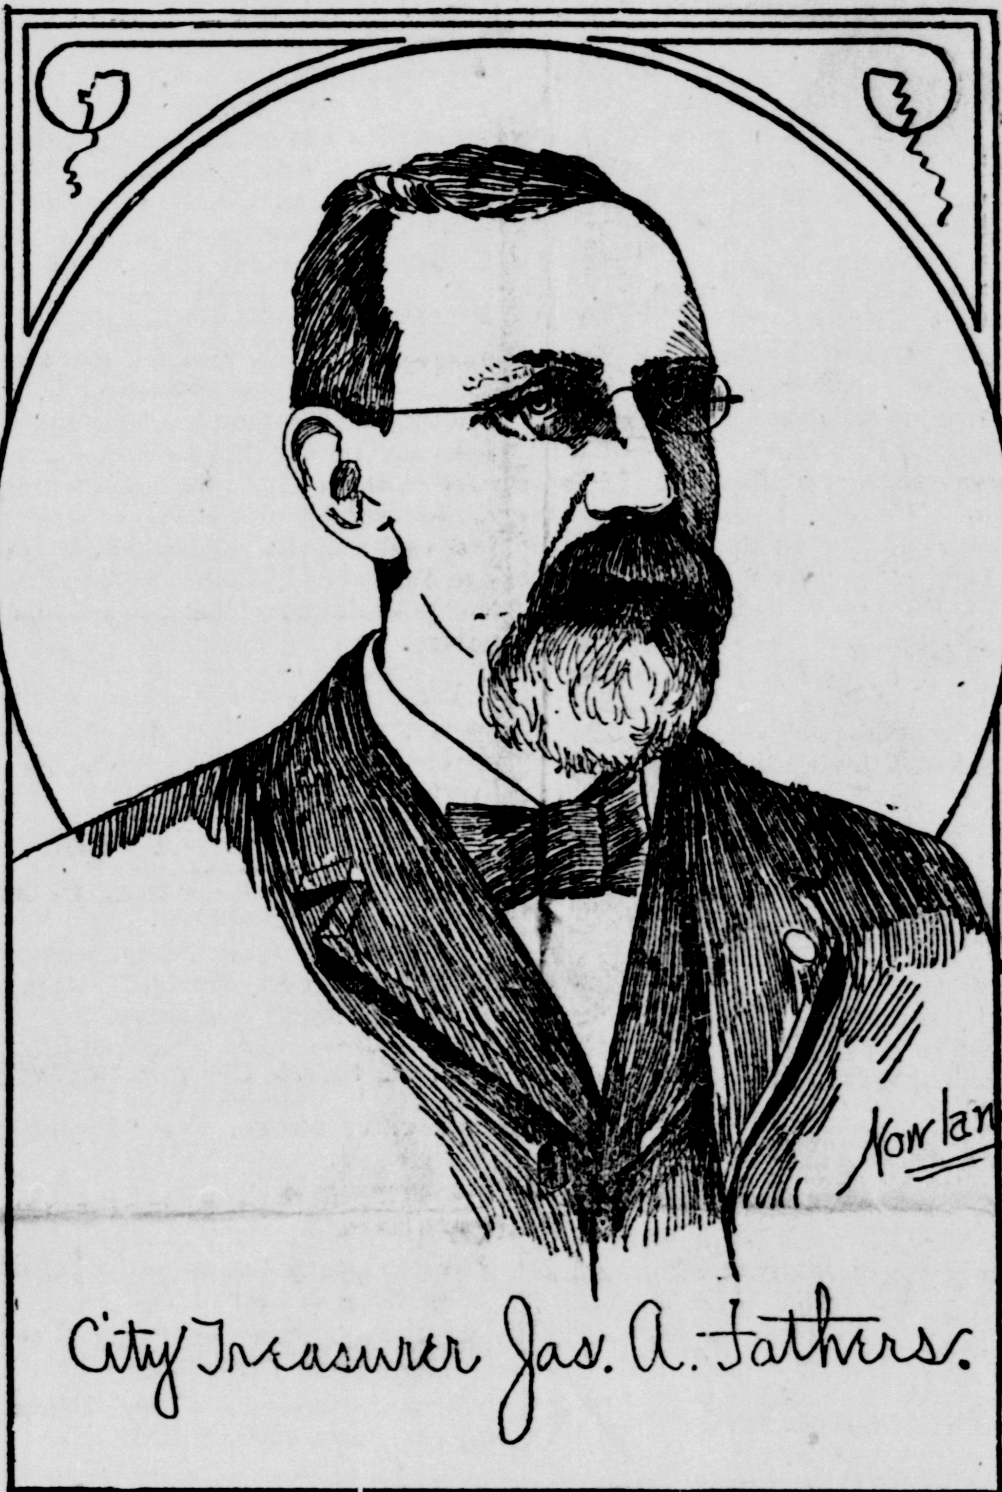

Mr. Skinner (pop., N. C.) closed the debate for the day with a brief speech in favor of the adoption of the conference report. Without action, at 5:10 the house took a recess until 8 o'clock.

RIVER AND HARBOR BILL.

As Completed by House Committee It Appropriates \$10,000,000.

Washington, April 4.—The river and harbor appropriation bill was finished on Friday by the house committee, which has been working on it most of the session. The total amount carried by the bill is a few thousand less than \$10,000,000, or about \$1,000,000 below the bill of last congress.

The house bill requiring a residence of a year in suits for divorce in the territories received the favorable indorsement of the committee. The committee amended the bill so as to provide that it shall not affect suits already begun.

DEATH TO IOWA'S CODE BILL.

Legislature to Adjourn April 11, Virtually Killing the Project.

Des Moines, April 4.—It looks as if the legislature has thrown the code overboard. Without any conditions, a resolution was passed in both houses Friday providing for sine die adjournment Saturday, April 11. The vote in favor of a two weeks' recess and then to take up the code was significant. The plan received but eight votes in the senate, and in the house the vote was 51 to 37. Mr. Funk filed a motion to reconsider the adjournment resolution, but only for the purpose of holding the resolution in the house, so if it becomes necessary to continue the session a few days it will be possible to do so by a majority vote. The outlook now is that the code scheme has been given burial.

Taken from Jail and Lynched.

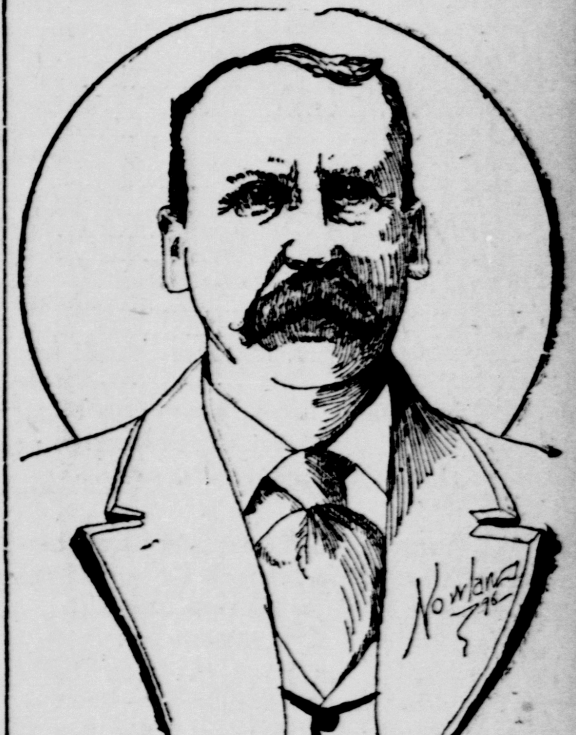

Nashville, Tenn., April 4.—A telegram from Tupelo, Miss., sixty miles southeast of Memphis, says: "This morning at 2 o'clock a young negro, about 18 years old, was taken from jail by a mob and lynched in front of the courthouse. The mob went to the sheriff's home, overpowered him with shot-guns, marched him to the jail and forced the keys from him. The men wore masks and their identity is unknown. The prisoner attempted to assault a prominent white lady at Plantersville about two weeks ago."

Fatal Collision on a Bridge.

Bellaire, Ohio, April 4.—A collision on the Baltimore & Ohio railroad bridge over the river here Friday evening resulted in the killing of two men, and the narrow escape of half a hundred. A freight train broke in two midway of the bridge and the rear cars ran back. The engine was coming and only when too late the cars were noticed. The cars and engine collided, and Frank Saltgaver and Father Flaherty were crushed to death between the engine and caboose.

People little thought that the brook would rise so rapidly or was capable of gathering such a volume of water. The cloudburst occurred up in the gorges. CYCLE SHOW DRAWS A GOOD AUDIENCE

ALL KINDS OF WHEELS WERE ON EXHIBITION.

Among the Novelties Shown Were the Noted Fowler Sextette—Cooking Club Meets Tonight—The Columbia Opera Company's Matinee—Other Amusement and Social Events.

HEELS and wheel-men were very much in evidence at the Y. M. C. A. building last evening, when Janesville's first cycle show was opened. All the Janesville dealers were represented, and there were machines of all sizes, colors and shapes to be seen. Previous to the show, a concert was given by the Y. M. C. A. band, and their music added much to the enjoyment of the evening. The room was tastefully decorated, and the booths were very attractively arranged. All the exhibitors had exerted themselves to get up an attractive stall, and had succeeded perfectly. The attendance last evening, was very good, but it was not as large as was accorded during the day. Admission was free during "the daylight hours," but in the evening, ten cents admission fee was charged. One of the features of the show last evening was the exhibition of Indian club swinging by Physical Director Dixon. He will appear again this evening, and the band will give an out-door concert before the show opens. The show will close to-night, and all the people, whether bicycle enthusiasts or not, should attend, as the exhibits will prove interesting to everybody. Several novelties are shown in addition to the regular exhibits of bicycles. Among them are the famous "Fowler Sextette," a wheel built for six. It is said that this wheel, manned by trained riders, can be driven faster than a railroad train. The sextette has been shown at all the large cities, and it was fortunate that Smith & Co. could get it for the Janesville show. Walter Helm's "Bloomer Girl," and A. H. Sheldon & Company's "Heptakaidodrameter," were also novelties. The Richardson Shoe Company exhibited "ball bearing shoes," while T. Zeigler and J. D. Holmes had attractive bicycle clothing displayed. The show is a great success, and you should not fail to attend tonight.

OTHER EVENTS OF LAST NIGHT.

The Railroad Social. The "railroad social" given by the Y. P. S. C. E. at the parlors of the Presbyterian church last evening was a novelty and a decided success. The audience was supposed to be as a railroad train and traveling in all parts of the country. They underwent the mishaps of travel such as wrecks and hold ups. The part of engineer was played by Rev. E. H. Pence. The entertainment was for the benefit of the piano fund and about \$20 was realized.

Miss Annie Taylor Surprised. Miss Annie Taylor, 206 North Main street, was pleasantly surprised by a large party of friends last evening, the delegations being composed mostly of Royal Neighbors of America. The affair was somewhat of a farewell surprise, as Miss Taylor, it is said, may go to Chicago to live. During the evening she was presented with a gold and silver berry spoon and a silver and cut glass tooth pick holder.

Columbia Opera Company. The Columbia Opera Company present "The Black Hussar" at the matinee at the Myers' Grand this afternoon and presented it in a thoroughly artistic manner. The engagement will close tonight with "Boccaccio," and they should have a full house. The company is far ahead of the average.

Jolly Time at A. D. Barlass' Home. Mr. and Mrs. A. D. Barlass, of Emerald Grove, entertained a party of their friends last evening. It was a dancing and chess party and about ninety guests were present and Terry's full orchestra played.

R. Y. G. Cooking Club. This evening at the home of Miss Agnes Shumway the young ladies comprising the R. Y. G. Cooking club will entertain their gentlemen friends. A four course supper will be served.

Gave a Six O'clock Tea. Miss Martha Shopbell entertained the members of the King's Daughters at a 6 o'clock tea yesterday afternoon and the event was enjoyed by all.

Baptists Gave a Social. The Junior Endavor society of the Baptist church gave a social at the

church parlors last evening, a program being presented and supper served.

Sewing Circle Meets. Mrs. George Hubbard entertained the "Earnest Ten" sewing circle this afternoon at her home on Cherry street.

SAIRY GAMP'S GOOD ADVICE. It May Be Applied to Other Things Than Tea Drinking.

"Drink fair, Betsey," said Sairy Gamp, in one of the inimitable novels of Dickens, "whatever you do, drink fair." This can be paraphrased as follows: Advertise fairly; whatever you do, advertise fairly. If you have a suit of clothes on your shelf that is actually worth \$20, say so. Don't say you have cut it down to that price from \$40. If you do, any man with a little gray matter in his skull will say: "Well, that fellow is telling a whopper now, or was cheating at the other end of the line." Honesty is the best policy, and—the best advertising.

MILLIONAIRE ON A GLEE CLUB. Frank W. Shumaker Has a Voice and Plenty of Money Besides.

Frank W. Shumaker, one of the second basses on the Beloit College Glee club, is probably the only millionaire college glee club singer in the world. Besides being possessed of wealth, Mr. Shumaker has a fine rich voice, which alone if used for that purpose, would easily bring to its possessor a comfortable income. Mr. Shumaker has many personal friends in this city, and it is assured that he and the Glee and Mandolin clubs will meet a large audience at the Myers Grand next Monday night.

LESS SCHOOL MONEY AND BIGGER BILLS

JANESVILLE'S STATE AID IS
CUT DOWN.

The Reduction Comes at an Inopportune Time, as the Necessary Expenses This Year Are Larger—The Question of Salaries For Substitutes Debated.

The Board of Education last night held the last meeting under the old organization. Made a ruling on substitutes' salaries. Received \$9,142.65 of school tax money as against \$11,401.18 last year.

The clerk reported the funds on hand March 31 to be \$16,990.30. Of this amount \$6,400 is due to the firm of Clark & Stewart, contractors.

Miss Mamie Hadden, who has been substitute teacher in Miss Mellie Bowles' place during Miss Bowles' illness, appealed to the board for the same pay that Miss Bowles received. The order for the salary had been made out to Miss Bowles and she wanted to settle with Miss Hadden at her own figures or ten dollars less for the month.

This board ordered that hereafter when a special substitute teacher shall be employed her salary shall be fixed by the committee on teachers and that the clerk be instructed to draw the order, and report at the next meeting. The order was adopted unanimously.

The clerk was instructed to purchase what coal was needed for the High school at the lowest possible terms.

Com. Clemons stated that he had received from the city treasurer the amount of the state and county school tax received by the city. Last year it was \$11,401.18, while this year it was \$9,142.65, a difference of \$2,268.43.

Com. Cunningham stated that the amount of funds on hand at present was the same as two years ago on April 1. The expenses, however, this year are larger than at that time.

Com. Shearer was instructed to make such purchases in the way of fluid for use in the boilers as the janitor may require.

An illustrated review of Janesville schools in the School Board Journal was announced by Superintendent Mayo.

Before the meeting adjourned President Goldin thanked the board for the courtesies extended to him during the year, and the warm regard of the board toward Commissioner A. G. Anderson was expressed.

BELOIT BOYS TO SING

Happy College Glee-Reception To Be
 Tendered The Visitors.

Monday evening the many friends
 of Beloit College in this city will have
 an opportunity of welcoming her
 and Mandolin club at the Myers
 and. The clubs are now en route
 on their eighth annual tour and every-
 where they have met with praise
 and encouragement. In Chicago
 where they contested the field with rep-
 resentative clubs of the largest uni-
 versities, the concert was a signal
 success and everyone pronounced it
 the best college entertainment of the
 year. In both Chicago and Mil-
 waukee where many similar enter-
 tainments are given throughout the
 year the audiences were large and
 enthusiastic and appreciative and the
 boys were forced to respond with
 many encores. Last season the suc-
 cess of the tour from an artistic
 standpoint was unprecedented but
 the twelve concerts already given
 in 1896, the work of both clubs has
 been pronounced more meritorious
 than ever before. The leader of the
 club, Mr. Boynton, held the same
 position last season and of late he has
 been earning an enviable reputation
 as a soloist. Mr. Catlin, leader of the
 mandolin club, has been with the club
 throughout his college course and the
 performance of this club leaves nothing
 to be desired. Before the tour
 the club had been through painstaking
 practice under the direction of
 these competent leaders, superintend-
 ed by musicians of recognized stand-
 ing. Prof. B. D. Allen has worked con-
 stantly with the organization and
 considerable of the credit is due to his
 efforts. Rev. W. W. Sleeper, who
 led Amherst College Glee club a
 few seasons ago, has also had the
 club in charge.

One reason for the exceptional success
 of this year's organization is because
 of the men have been on the
 tour for several seasons and the new
 members are all men of exceptional
 talent. Nine members of the organi-
 zation are of next June's graduating
 class. The program this year con-
 tains many new and bright selections,
 which delight the lovers of classical
 college music, as well as those who
 love the rollicking spirited songs. A
 large audience should turn out and
 get the boys from our neighboring
 institution of learning, and they cer-
 tainly deserve the patronage of all
 lovers of happy ringing songs and the
 better music from mandolin and
 guitar.

The clubs return from their north-
 west trip Saturday night and will reach
 here Friday Monday noon.

After the concert an informal recep-
 tion and dance for the boys will be
 held at the armory to which all the
 friends of the clubs and Beloit college
 cordially invited. Huyke's orches-
 tra will furnish the music.

Sale of seats open Monday at 10 a.

Whereby Nine-Tenths of the Amer-
 ican People Will Be
 Benefited.

A Brief Account of It.

A man or woman with perfect digestion,
 the result of a healthy stomach, has no need
 of a nerve tonic to bring sleep, nor sarsa-
 parilla to purify their blood, nor cod liver
 oil and pre-digested foods to make them fat.
 Why? Because a sound stomach perfectly
 digests the food, making pure, rich blood,
 steady nerves, sound sleep and all the healthy
 flesh a person needs to carry.

Dr. Bostwick recently stated that anyone
 out of health, nervous, sleepless, run down
 in flesh, with poor appetite, not knowing
 just what was the matter of them, should
 look to their digestion, to the stomach, and
 there would find the secret of the whole
 trouble. He says nine out of ten will have
 no nervous troubles, no impure blood, no
 weakness anywhere when the digestive
 organs do their work properly. To cure in-
 digestion and dyspepsia he never advises
 "sarsaparilla," "stomach bitters," "pre-
 digested food" or any other secret patent
 medicine. He says the best thing, the
 safest and surest cure is Stuart's Dyspepsia
 Tablets, because they are composed of ve-
 getable essences, fruit salts, pure pepsin and
 bismuth and will cure dyspepsia in every
 case if taken persistently and regularly.

Some of the cures made by Stuart's Dyspepsia
 Tablets are little short of miraculous.
 Mrs. Charlotte Lane, of Ransomville, N. Y.,
 writes: "I have taken only one 50-cent
 package of Stuart's Dyspepsia Tablets and
 am almost astonished at results, they have
 benefited me so greatly. I have always un-
 derstood that dyspepsia was incurable, but
 now know it can be cured, for I am fully
 satisfied with what they have done for me.
 I can eat and enjoy my meals a great deal
 better and feel better in every way and have
 only used one package."

Mr. J. O. Wondly, of Peoria, Ill., writes:
 "I was unable to eat anything but the plainest
 food, and even that often distressed me, but
 since using one box of Stuart's Dyspepsia
 Tablets I can eat anything and everything I
 want."

Mrs. Samuel Kepple, of Girty, Pa., writes:
 "I have been entirely relieved of my stomach
 troubles by your Tablets. I suffered three
 years with sour stomach and gas at night.
 I am thankful for them."

Mrs. A. E. Bowen, of Barnard, Vt., writes:
 "I think Stuart's Dyspepsia Tablets are the
 best thing for dyspepsia I ever took. I will
 recommend them to anyone troubled as bad
 as I was."

Although a new remedy, yet its remark-
 able success in all kinds of stomach troubles
 has practically settled the question that it is
 the best and safest remedy that can be used
 for weak or disordered digestion.

It is prepared by the Stuart Chemical Co.,
 Marshall, Mich., and for sale by druggists
 everywhere at 50 cts. per package, thus
 placing it within the reach of everyone
 wishing to give a remedy so highly com-
 mended a fair trial.

ELECTION NOTICE.

OFFICE OF CITY CLERK, March 31, 1896.

To the Electors of the City of Janesville:

Notice is hereby given that a "Judicial and Municipal" election is to be held in the several wards and elec-
 tion precincts in the city of Janesville, on the 7th day of April, 1896, at which the officers named below are to be
 chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to this office,
 are given under the appropriate party or other designation, each in its proper column, and the questions submitted to
 a vote are stated below:

INFORMATION TO VOTERS.

The following instructions are given for the information and guidance of voters: A voter upon entering the
 polling place, and giving his name and residence, will receive a ballot from the ballot clerk, which must have en-
 dorsed thereon the names or initials of both ballot clerks, and no other can be used. Upon receiving his ballot,
 voter must retire, alone, to a booth or compartment, and prepare the same for voting. A ballot clerk may inform the
 voter as to the proper manner of marking a ballot, but he must not advise or indicate, in any manner, whom to vote
 for. The voter must make a cross, X, after the name of each person he desires to vote for. If he wishes to vote for
 a person for a certain office, whose name is not on the ballot, he must write the name in the blank space under the
 printed name of the candidate for the office. The ballot should not be marked in any other manner. If the ballot
 be spoiled it must be returned to the ballot clerk, who must issue another in its stead, but not more than three in all
 to any one voter. Five minutes' time is allowed in booth to mark ballot. Unofficial ballots or memorandum to as-
 sist the voter in marking his ballot can be taken into the booth and may be used to copy from. The ballot must not
 be shown so that any person can see how it has been marked by the voter. After it is marked it should be folded so
 that the inside cannot be seen, but so that the printed endorsements and signatures of the ballot clerks on the out-
 side may be seen. Then the voter should pass out of the booth, give his name to the inspector in charge of the ballot
 box, and him his ballot to be placed in the ballot box and pass out of the voting place. A voter who declares to the
 presiding officer that he is unable to read, or that by reason of physical disability he is unable to mark his ballot can
 have assistance of one or two election officers in marking the same, to be chosen by the voter. The presiding officer
 may administer an oath, in his discretion, as to such person's disability. The party designations and candidates for
 the different offices are as follows:

WHO OWNS THE FIFTH
M'LEAN OR SMITH?NOT WORDS BETWEEN DEMO-
CRATIC LEADERS.

Warning Given That a Crt on the Ward Ticket Will Lead to Slash-jug Elsewhere—Alderman Smith Denounces His Opponents of the McLean Faction in Vigorous Terms

There was a sharp encounter between two Fifth ward democrats in the city clerk's office. John F. Sweeney of the Fifth ward committee and P. J. Mout, chairman of the city committee and candidate for school commissioner at large, had an opportunity to express their opinions forcibly. Alderman Smith's friends deny that they had anything to do with slandering B. Spence off the ticket. They say the ward committee and Mayor Baines fixed it up as a measure of party safety. However that may be, the declaration of Mr. Spence was fully filled and the withdrawal of that signification, although formally presented to the city clerk, was held to be ineffective. Alderman Smith's position on the ticket was assured, and his enemies were in disorder.

Watching for a Flank Attack. J. F. Sweeney, is a warm adherent of Alderman Smith, and very naturally made him happy. He was waiting around the city clerk's office to see that no nomination papers were filed to head his man off. When P. J. Mout came in, Mout just returned from Koshkonong, and there had been interesting developments in the Fifth ward during his absence.

Sweeney's smile as he saw Mout was wondrously free from guile, but there was a world of significance in his cry:

"Well, Pete, what do you think of going down in the Fifth since you are away?" "Think?" said Mout explosively. "Think it is a thundering outrage." There were other heated exchanges. Sweeney finally said with an emphasis that could not be misunderstood the candidate for school commissioner at large.

"We Smith men are democrats and supporting the city ticket, but if there is any cutting off the ward let that relieve us of obligations support anybody."

Alderman Smith is very bitter against the men who made it appear that his ward had gone against him. It was all Jim McLean's work—and his gang," he said. "There is a decent man in the ward outside McLean's family who follows him. Men are the White-Light club and of that stamp."

NOTHING OLD ABOUT IT

Goods in Becker & Woodruff's Stock Are All New and Fresh.

The advantage the person has who has shoes at the sale we have mentioned over the usual shoe sale, is that they are absolutely certain of getting bright, fresh late style shoes for their money. In their goods we have everything for ladies and gentlemen, of the best the country produces. The price we have set on all high grades of shoes is very low. The shoes for less money are bargains in the sense of the word. You get no matter if you only have a small amount of money. The shoes are going fast and it will not be before the entire lot is closed. Don't fail to lay in a supply of shoes.

Dramatic in "Henrick Hudson, Jr."

Henrick Hudson, Jr., the merry and dashing dandy, has made superb advances in her art, according to the most able exchanges that come to this. This improvement being especially prominent in her singing and dancing. These are characteristics particularly well set off her new dress. She is supported by the Kimball Opera Company of sixty, and she will be seen in the role of the extravaganza, "Henrick Hudson Jr." It is a jolly and amusing piece, fully up to date, and gorgeously mounted and dressed. Surprises, far and away, any previous successful productions of the organization.

Most Popular Wheel at the Show.

In the remarks made by those who attended the bicycle show last night, on the Cleveland, which is held in booth No. 3, by C. D. Stevens' pharmacy, it is keeping up its reputation as the best wheel made. The Cleveland came everybody, its superior make it stand out like an oasis in the desert, and when the bicycle fairly opens many of its admirers. Stevens received two more wheels today by express, a lady's gentleman's wheel; they will be exhibited this evening. Don't ask questions about the Cleveland.

A Word to the Wise.

Money is a very important consideration these days when every man must make the most of his dollar. Cutting the corner is a thing to do. If you can buy a pair of \$1.75 or a \$2 shoe for a \$1.50 Oxford for 49 cents, that tack hammer for 5 cents, that nail for 5 cents. That's a real business and this policy admit is true. Lowell Hardware.

REPUBLICANS SEE
SIGNS OF VICTORYPROMISE OF TRIUMPH IN THE
CITY.

Alderman Winslow's Record of Economy in the Third Ward Winning Him a Host of Supporters—Not a Cent of Ward Tax Will Be Necessary This Year.

Republicans are making a strong, enthusiastic campaign in every ward and a sweeping success is promised. In the Fifth, the democratic disaffection makes fuel for W. H. Janes' bonfire. Both here and in the Fourth republicans are unusually good. The Fourth ward taxpayers are standing by William H. H. Macleod, sturdily, because they believe he is not afraid to say what he thinks and because he will do much toward giving the city a clean, practical, economical administration. John M. Whitehead is making a strong canvass for supervisor and adds strength to the whole ticket.

Two Lies Nailed Promptly.

In the First, Second and Third wards the republican ward tickets meet with universal favor. There is no disaffection apparent anywhere. An attempt was made to accuse F. S. Winslow of extravagance probably because he stood for modern methods in city affairs. The charges were made too hastily, for figures controverted them at once. Instead of being extravagant Alderman Winslow spent just \$937.50 out of a ward fund of \$3,500 and the ward has a surplus of \$2202.50 after paying \$360 of debts left from previous years. Nor has this been done at the cost of the streets. Third ward streets and side walks are not surpassed in the city and not one of the numerous damage suits pending comes from the Third ward.

No Ward Tax Next Year.

Alderman Winslow accomplished more with \$910 of ward money than many aldermen with \$2,000. A continuance of Alderman Winslow's policy means that the Third ward will be called upon for no tax whatever—not one cent—for ward purposes next year.

Against Wallace Cochrane, candidate for constable in the Third ward, an attempt was made to twist the figures laid before the county board. Twice a year each constable's fees are reported to the board. Cochrane's fees footed up \$300 for each half year, but unscrupulous campaigners proclaimed \$500 to be what he got each month. The falsehood was denied very promptly and hurt, rather than helped, the democratic candidate.

City Ticket Is Strong.

The republican city ticket will go in by a liberal majority. Treasurer Fathers is backed by democrats as well as republicans. T. S. Nolan gains strength each day as the need of business methods in the city attorney's office becomes more apparent. Silas Hayner and M. P. Richardson are running well in every ward. Mr. Hayner's business qualifications are recognized as exceedingly valuable in school board work.

Voters must make a cross after the name of every candidate for whom they wish to vote. The law on voting straight tickets has been changed.

THE ROSTER CASE
WAS SETTLED UPDOE, CLARK, ET. AL., PAY ALL
THE COSTS.

Amount Will Be About \$3,000—Attorney John M. Olin Says the Case Was Taken Out of His Hands by Messrs. McFail and Tracy, Gibbs & Company.

Ex-Governor Peck, ex-Attorney-General O'Connor, Assistant Secretary of War J. B. Doe, Senator R. M. Bashford and Clarence L. Clark, private secretary to ex-Governor Peck, will be vindicated. It will cost them about \$3,000 and although it comes high they will have to have it. The celebrated roster case is ended. The attorneys agreed to and signed the stipulations yesterday and it will be filed today in the supreme court. It is provided in the stipulation that in consideration of the withdrawal from the supreme court and the exemption from further prosecution the foregoing defendants will pay all the court costs in the case. The costs are between \$3,000 and \$2,800. The case has been in the supreme court since the spring of 1894, on the appeal of the plaintiffs, W. J. P. McFail, Tracy, Gibbs & Co. and Robe and George Dow from Judge Siebecker's order of a non-suit. It was to have been argued in a few weeks.

The settlement in no way effects any right McFail may have in an action for damages against the state by reason of the cancelling of the roster contract by Governor Peck.

John M. Olin, who conducted the case for the plaintiffs, said: "All I care to say is that when this case was appealed to the supreme court, it was with the full expectation that it would be argued and decided by that court. The matter of the settlement of that case was taken out of my hands."

Attention Comrades.

WHO OWNS THE FIFTH M'LEAN OR SMITH?

NOT WORDS BETWEEN DEMOCRATIC LEADERS.

Warning Given That a Cut on the Ward Ticket Will Lead to Slashing Elsewhere—Alderman Smith Denounces His Opponents of the McLean Faction in Vigorous Terms

There was a sharp encounter between two Fifth ward democrats in the city clerk's office. John F. Sweeney of the Fifth ward committee and P. J. Mount, chairman of the city committee and candidate for school commissioner at large, had an opportunity to express their opinions forcibly. Alderman Smith's friends deny that they had anything to do with slandering B. Spence off the ticket. They say the ward committee and Mayor Baines fixed it up as a measure of party safety. However that may be, the declaration of Mr. Spence was fully filed and the withdrawal of that signification, although formally presented to the city clerk, was held to be ineffective. Alderman Smith's position on the ticket was assured, and his enemies were in disorder.

Watching for a Flank Attack. J. F. Sweeney, is a warm adherent of Alderman Smith, and very naturally is made him happy. He was waiting around the city clerk's office to see that no nomination papers were filed to head his man off. When P. J. Mount came in, Mount just returned from Koshkonong, and there had been interesting developments in the Fifth ward during his absence. Sweeney's smile as he saw Mount was obviously free from guile, but there was a world of significance in his eyes.

Far Began to Fly. "Well, Pete, what do you think of going down in the Fifth since you are at away?" "Think?" said Mount explosively. "Think it is a thundering outrage." There were other heated exchanges. Sweeney finally said with an emphasis that could not be misunderstood the candidate for school commissioner at large.

We Smith men are democrats and supporting the city ticket, but if there is any cutting off the ward let that relieve us of obligations to support anybody." Alderman Smith is very bitter that the men who made it appear that his ward had gone against him. It was all Jim McLean's work—and his gang," he said. "There is a decent man in the ward outside McLean's family who follows him. Men are the White-Light club and of that stamp."

NOTHING OLD ABOUT IT

Prize in "Henrick Hudson, Jr." The merry and dashing Henrienne, has made superb advances in her art, according to the most able exchanges that come to this improvement being especially prominent in her singing and dancing. These are characteristics particularly well set off her new dress. She is supported by the Kimbela Comique company of sixty, and she will be seen in the role of the extravaganza, "Henrick Hudson Jr." It is a jolly and amusing piece, fully up to date, and gorgeously mounted and dressed. Surprises, far and away, any previous successful productions of the organization.

Most Popular Wheel at the Show. In the remarks made by those who attended the bicycle show last night, on the Cleveland, which is held in booth No. 3, by C. D. Stevens' pharmacy, it is keeping up its position as the best wheel made. Attention for the Cleveland came from everybody, its superior make it stand out like an oasis in the desert, and when the bicycle fairly opens many of its admirers the cycle show will be purchased. Stevens received two more orders today by express, a lady's gentleman's wheel; they will be exhibited this evening. Don't ask questions about the Cleveland.

REPUBLICANS SEE SIGNS OF VICTORY

PROMISE OF TRIUMPH IN THE CITY.

Alderman Winslow's Record of Economy in the Third Ward Winning Him a Host of Supporters—Not a Cent of Ward Tax Will Be Necessary This Year.

Republicans are making a strong, enthusiastic campaign in every ward and a sweeping success is promised. In the Fifth, the democratic disaffection makes fuel for W. H. Jones' bonfire. Both here and in the Fourth republicans chances are unusually good.

The Fourth ward taxpayers are standing by William H. H. Macdonald, sturdily, because they believe he is not afraid to say what he thinks and because he will do much toward giving the city a clean, practical, economical administration.

John M. Whitehead is making a strong canvass for supervisor and adds strength to the whole ticket.

Two Lies Nailed Promptly. In the First, Second and Third wards the republican ward tickets meet with universal favor. There is no disaffection apparent anywhere. An attempt was made to accuse F. S. Winslow of extravagance probably because he stood for modern methods in city affairs. The charges were made too hastily, for figures controverted them at once.

Instead of being extravagant Alderman Winslow spent just \$937.50 out of a ward fund of \$3,500 and the ward has a surplus of \$292.50 after paying \$360 of debts left from previous years. Nor has this been done at the cost of the streets. Third ward streets and side walks are not surpassed in the city and not one of the numerous damage suits pending comes from the Third ward.

No Ward Tax Next Year. Alderman Winslow accomplished more with \$910 of ward money than many aldermen with \$2,000. A continuance of Alderman Winslow's policy means that the Third ward will be called upon for no tax whatever—not one cent—for ward purposes next year.

Against Wallace Cochrane, candidate for constable in the Third ward, an attempt was made to twist the figures laid before the county board. Twice a year each constable's fees are reported to the board. Cochrane's fees footed up \$300 for each half year, but unscrupulous campaigners proclaimed \$300 to be what he got each month. The falsehood was denied very promptly and hurt, rather than helped, the democratic candidate.

City Ticket Is Strong. The republican city ticket will go in by a liberal majority. Treasurer Fathens is backed by democrats as well as republicans. T. S. Nolan gains strength each day as the need of business methods in the city attorney's office becomes more apparent.

Silas Hayner and M. P. Richardson are running well in every ward. Mr. Hayner's business qualifications are recognized as exceedingly valuable in school board work.

Voters must make a cross after the name of every candidate for whom they wish to vote. The law on voting straight tickets has been changed.

The display of novelties for Easter in the Milwaukee street show window of A. F. Hall & Co. "the reliable jewellers" is very artistically arranged. It will suggest an Easter gift suitable "for him or her."

A BICYCLE pant that will prove a boon to riders for comfort is the Shauner trouser of which Ziegler's large ad speaks to considerable length of tonight. On each side of the trouser over the hip is a piece of rubber going that makes the waist conform to the body and yet does not hinder the motion. The great inconvenience and trouble of all kinds that the bicycle rider has with the pant belt is completely done away with. T. J. Ziegler.

THE ROSTER CASE WAS SETTLED UP

DOE, CLARK, ET AL., PAY ALL THE COSTS.

Amount Will Be About \$3,000—Attorney John M. Olin Says the Case Was Taken Out of His Hands by Messrs. McFall and Tracy, Gibbs & Company.

Ex-Governor Peck, ex-Attorney-General O'Connor, Assistant Secretary of War J. B. Doe, Senator R. M. Bashford and Clarence L. Clark, private secretary to ex-Governor Peck, will be vindicated. It will cost them about \$3,000 and although it comes high they will have to have it. The celebrated roster case is ended. The attorneys agreed to and signed the stipulations yesterday and it will be filed today in the supreme court. It is provided in the stipulation that in consideration of the withdrawal from the supreme court and the exemption from further prosecution the foregoing defendants will pay all the court costs in the case. The costs are between \$2,000 and \$2,500. The case has been in the supreme court since the spring of 1894, on the appeal of the plaintiffs, W. J. P. McFall, Tracy, Gibbs & Co. and Robs and George Dow from Judge Siebeck's order of a non-suit. It was to have been argued in a few weeks.

The settlement in no way effects any right McFall may have in an action for damages against the state by reason of the cancelling of the roster contract by Governor Peck.

John M. Olin, who conducted the case for the plaintiffs, said: "All I care to say is that when this case was appealed to the supreme court, it was with the full expectation that it would be argued and decided by that court. The matter of the settlement of that case was taken out of my hands."

Attention Comrades. Members of W. H. Sargent Post No. 20 G. A. R. are requested to meet at Post Hall tomorrow at 1 o'clock p. m. for the purpose of attending the funeral of Comrade Myron Hart. By order of W. G. PALMER, Commander.

THE TRADE REVIEW.

(Continued From Page 1.)
\$4.45 per \$1,000, the average for the previous ten years having been \$3.27, and the average per firm in business was \$47.48, against \$38.64 for the previous ten years.

"The main increase over last year has been in manufacturing failures in New York, Pennsylvania, Ohio, and Kentucky, and in trading failures in Texas and Minnesota, owing to two recent large defaults. Other commercial failures are also larger than last year, practically all the increase being at the south. Banking failures have been 51, against 36 last year, but with liabilities of only \$4,751,972, against \$13,482,537 last year.

"More than half the entire banking defaults were in northern states, west of the Mississippi.

"The improvement expected with spring weather begins, though in some branches of business scarcely visible. As consumers make spring purchases, they must lessen stock and compel buying. The stocks taken in advance of last summer's demands have been distributed far more slowly than was expected, but months of waiting have helped to lessen the load which it is hoped spring buying will clear away. The backward season has been a hindrance, as has also been the number of hands unemployed in important industries, and the low price of farm products. Apprehension of foreign or financial difficulties have hindered, but are now scarcely felt. Gold exports are rumored, but at this season are so far natural that they have no such power to cause alarm as they had in winter.

"The gigantic steel combination is expected to have a great influence in sustaining markets and stimulating confidence, and though such operations often miss the success they seek, they rarely fail to kindle speculative buying for a time.

"The woolen manufacture does not gain in orders, and a large part of the machinery is stopped. Prices of wool have fallen 7½ per cent, the average of 104 quotations being 13.62 cents. Sales in March were smaller than in any other month since 1894, and for the quarter were only 57,147,780 pounds, of which 30,916,200 were foreign, against 69,081,315 last year, of which 26,258,850 was foreign.

"Cotton mills still pile up goods in advance of orders, as reductions in price have failed as yet to stimulate buying.

"Speculation in products has been tame. Cotton continues to come forward so largely that former predictions of 6,500,000 bails are remembered with derision, and the outlook for the next crop continues good.

"Wheat has slightly advance, and if late reports of injury from extensive frosts and storms prove correct will advance more, though western receipts continue nearly 50 per cent larger than last year, and for five weeks past have been 13,835,410 bushels, against 8,831,372 last year, while Atlantic exports have been only 6,733,132 bushels (flour included), against 8,435,701 last year. Corn exports are large and receipts also heavy, but pork has declined 75 cents per barrel."

THE STUDIO GIRL.

AN INTERESTING LETTER FROM A YOUNG LADIES' COLLEGE.

Race Between the Sexes for Education. Health Impaired by Incessant Study.

The race between the sexes for education is to-day very close.

Ambitious girls work incessantly over their studies, and are often brought to a halt, through having sacrificed the physical to the mental.

Then begin those ailments that must be removed at once, or they will produce constant suffering. Headache, dizziness, faintness, slight vertigo, pains in the back and loins, irregularity, loss of sleep and appetite, nervousness and blues, with lack of confidence; these are positive signs that women's arch enemy is at hand.

The following letter was received by Mrs. Pinkham in May, one month after the young lady had first written, giving symptoms, and asking advice. She was ill and in great distress of mind, feeling she would not hold out till graduation, and the doctor had advised her to go home.

College, Mass.

You dear Woman:—

I should have written to you before, but you said wait a month. We are taught that the days of miracles are past. Pray what is my case? I have taken the Vegetable Compound faithfully, and obeyed you implicitly and, am free from all my ills. I was a very, very sick girl. Am keeping well up in my class, and hope to do you and myself credit at graduation. * * My gratitude cannot find expression in words. Your sincere friend, MARY

P. S. Some of the other girls are now using the Compound. It benefits them all.

Lydia E. Pinkham's Vegetable Compound is the only safe, sure and effectual remedy in such cases, as it removes the cause, purifies and invigorates the system, and gives energy and vitality

HO! FOR MISSOURI.

There is certain to be a decided activity in the sale of Missouri farms this year. During the last six months inquiry for improved farms in Missouri has been greater than ever before.

There is no part of the West where more inviting prospects abound for the farmer, and but for the hard times all over the country there would be an actual boom in Missouri. The farmer who is looking for perpetual summer and never failing deposits of moisture, land that will raise abundant crops, and other Eden-like conditions, which everybody would like to have, will search in vain for those conditions, but if he will stop in Missouri and settle down to business he can approach nearer to his ideal than he can anywhere else in the Union. It has been the experience of Missouri farmers, that they have had as many blessings of Nature and as great a degree of prosperity as those of any other section of our great country. Missouri no longer turns the cold shoulder to home seekers. There is not a nook or corner of the state where the security of property, now, is not as well assured as in any other state in our land. Taxes are generally very low, and very much lower than they are in Wisconsin. Political opinions are no bar to the enjoyment of every right of citizenship. Sure crops, ample transportation for all products of the soil, convenient markets, cheap fuel, mild climate, abundance of timber of all kinds, pure water, nutritious grasses, blue grass pastures, and above all her vast crops of all kinds of fruits are among the advantages to the farmer. No state or locality leads MISSOURI in the production of fine fruits. Not even France or Spain, with their vast vineyards, have any advantages over Missouri in fruit-growing. In four years' time we have sold over \$300,000 worth of improved farms in Missouri. We are now prepared to sell improved farms, in thickly settled locations with lands as good as any in Wisconsin, at from \$20 to \$40 per acre. We can furnish excursion rates to Macon, Mo.

We have A MOST BEAUTIFUL FARM of 800 acres right at a station of 3000 inhabitants on the Santa Fe railway, in Lin Co., for sale at \$35 per acre. The buildings and improvements on this farm cost over \$12,000. Can give time on two-thirds of price at six per cent. interest.

TEN DOLLAR BILL
FOR THE BEST ADGZETTE'S APRIL OFFER TO
ITS FRIENDS.

The Person Who Comes Nearest to
Picking Out the Best Ad From The
Gazette Each Day in April Will
Be Presented With a Crisp Green-
back.

A ten dollar bill—crisp and fresh—
ings in a frame, in the Gazette office.
What is it for?

In every issue of The Gazette there
appear a good many pretty good ads
and a good many pretty poor ones.
The good ones bring profit to the
vertiser and cause his face to be
beetled with smiles.

The poor ads cost just as much, but
produce less result, and induce a loss
faith in the value of advertising.
This is all wrong!

We want more GOOD advertise-
ments.

The way to make a good advertise-
ment is to try to make a good one—
hard.

To encourage good advertising The
Gazette inaugurates this friendly con-
test.

The \$10 bill goes to the reader who
picks the best display ads that ap-
pear in The Gazette during April—one
each day.

These are the conditions:

The display ad. is to be clipped from each
issue of the Daily Gazette for April and marked
with a voter's name and the date of issue.
The bunch of advertisements—one from each
issue in April—are to be mailed to the Gazette
office 6 p. m. Saturday, May 2.
Readers may prepare more than one list if they
wish.

The best ad. for each day will be determined
by counting the ballots sent in at the end of the
month. No ad. is to appear twice in one list.

The contest is confined to display ads—not
notices or locals. Janesville ads only.
Size, the typographical beauty and verbal
clearness are not the essential qualities. The
ad. "under the terms of this contract, is
one that seems likely to draw the most busi-
ness. No matter if the wording be clumsy and
the typography poor, the ad. that brings re-
sult is the best ad. of the world over.
The ad. that makes a hundred people say
"that's a fine ad." is good, but the ad. that makes
seven people buy, is better.

Read these conditions carefully, sub-
scribers and non-subscribers, and get
your scissors ready.

W. Pierce, Republic, Ia., says:
"I have used one minute Cough Cure
my family and for myself, with re-
sults so entirely satisfactory that I
hardly find words to express my-
self as to its merit. I will never fail
to recommend it to others, on every
occasion that presents itself. C. D. Ste-

Whooping, healing, cleansing. De-

of sores, wounds and piles, which it
never fails to cure. Stops itching and
burning. Cures chapped lips and cold
sores in two or three hours. C. D. Ste-
vens

It is not only so, it must be so. One

it's what makes it go. C. D. Ste-

wish to vote. The law on voting straight

One Minute Cough Cure touches the
cough spot. It also touches it at the
throat if you take it when you
have a cough or cold. See the point?

The man who

when she should

remedy which will
bring her back to health and strength.
Perhaps her husband cannot persuade her
to go to her doctor, because she naturally
dreads the inevitable examinations and
"local treatments." He can persuade her,
if she needs persuasion, to take Dr. Pierce's

ELECTION NOTICE.

OFFICE OF COUNTY CLERK,
March 28, 1896.
To the Electors of Rock County:
Notice is hereby given that a judicial election
is to be held in the several towns, wards and
election precincts in the county of Rock on the
seventh day of April, 1896, at which the officers
named below are to be chosen. The names of
the candidates for each office to be voted for
those nominations have been certified to this
office are given under the title of the office and
under the appropriate party or other designa-
tion, each in its proper column.

Information to Voters.
The following instructions are given for the
information and guidance of voters:
A voter upon entering the polling place, and
giving his name and residence, will receive a
ballot from the ballot clerk, which must have
endorsed thereon the names or initials of both
ballot clerks, and no other can be used. Upon
receiving his ballot, voter must retire alone to a
booth or compartment and prepare the same
for voting. A ballot clerk may inform the
voter as to the proper manner of mark-
ing a ballot, but he must not
advise or indicate in any manner
whom to vote for. The voter must make a cross,
X, after the name of each person he desires to
vote for. If he wishes to vote for a person for a
certain office whose name is not on the ballot he
must write the name in the blank space under
the printed name of the candidate for the office.
The ballot should not be marked in any other
manner. If the ballot be spoiled it must be re-
turned to the ballot clerk, who must issue another
in its stead, but not more than three in all to
any one voter. Five minutes time is allowed in
booth to mark ballot. Unofficial ballots or mem-
oranda, to assist the voter in marking his bal-
lot, can be taken into the booth and may be
used to copy from. The ballot must not be
shown so that any person can see how it has
been marked by the voter. After it is marked
it should be folded so that the inside cannot be
seen, but so that the printed endorsements and
signatures of the ballot clerks on the outside
may be seen. Then the voter should pass out of
the booth, give his name to the inspector in
charge of the ballot box, hand him his ballot to
be placed in the box and pass out of the voting
place.

A voter who declares to the presiding officer
that he is unable to read, or that by reason of
physical disability he is unable to mark his bal-
lot, can have assistance of one or two election
officers in marking the same, to be chosen by
the voter. The presiding officer may administer
an oath, in his discretion, as to such person's
disability. The party designations and candi-
dates for the different offices are as follows:

For Justice of the Supreme Court, ———
For Justice of the Circuit Court, ———
For Justice of the County Court, ———
For Sheriff, ———
For Assessor, ———
